The inspection is not intended to be technically exhaustive, nor is it a compliance inspection for codes and regulations. **Initials**

7. **Neither the inspection nor the inspection report is a warranty, guarantee or insurance policy,** either expressed or implied regarding the adequacy, performance or condition of any inspected system or component. Neither the inspection nor the inspection report is intended to reflect the value of the inspected property or make any representation as to the advisability of purchase or suitability for use. The inspection and the report are only intended to express the professional opinion of **Absolute Home Inspections, LLC**, based on a limited visual inspection of accessible portions of the structure, systems and component, and existing conditions ***at the time of the inspection.*** **Initials**

8. In the event that some component of the inspected property appears to be defective ***immediately*** after the inspection, and **Absolute Home Inspections, LLC** did not indicate such defect in the report, the **Client(s)** agree(s) to make no alterations, modifications or repairs (or direct or allow others to do so) prior to a re-inspection by **Absolute Home Inspections, LLC**, with the exception of emergency conditions. **Absolute Home Inspections, LLC** reserves the right to either make the repair or to have the repair performed by a qualified third party. In addition, ***notwithstanding the provisions of any applicable statute, the sole and exclusive remedy available to the Client(s) is damages in an amount not to exceed the fees actually paid by the Client(s) for services, and all other remedies, statutory or otherwise, are hereby waived by the Client(s).*** **Initials**

9. The **Client(s)** agree(s) that should any provisions of this agreement are determined and declared invalid by any court of competent jurisdiction, the remaining provisions and portions shall remain in full force and effect. **Initials**

10. The delivered report by **Absolute Home Inspections, LLC** shall be considered the final exclusive findings at the inspected property. However, the **Client(s)** further understand(s) and agree(s) that **Absolute Home Inspections, LLC** has the right to submit an addendum to the original report within seven days of the inspection. **Initials**

11. The **Client(s)** understand(s) and agree(s) that it is his or her responsibility to have further evaluation and/or to initiate repairs to any items **Absolute Home Inspections, LLC** discovers; and to maintain and monitor the property and its components, including all paint, caulk, other sealants, gutters, HVAC filters, plumbing, grounds, driveway sealant, all combustion components such as fireplace, woodstove, water heater, HVAC system, etc. The **Client(s)** is/are advised and understand(s) they should have any repairs, further evaluations or cost estimates carried out prior to purchase to ensure they are making the most complete and thorough purchasing decision possible. **Initials**

12. This Inspection Agreement shall be binding upon the parties hereto, and their respective heirs, personal representatives, successors and assigns, and shall be construed in accordance with the laws of the State of Maryland, without consideration of principles of conflicts of laws. **Initials**

The following statements are included with this Agreement as required by the Commission for licensing Maryland home inspectors:

- **“An inspection is intended to assist in the evaluation of the overall condition of a building. The inspection is based on observation of the visible and apparent condition of the building and its components on the date of the inspection”;**
- **“The results of this home inspection are not intended to make any representation regarding latent or concealed defects that may exist, and no warrant or guaranty is expressed or implied”;**
- **“If your home inspector is not a licensed structural engineer or other professional whose license authorizes the rendering of an opinion as to structural integrity of a building or the condition of its components or systems, you may wish to seek the professional opinion of a licensed structural engineer or other professional regarding any defects or other observations set forth in this report”; and**
- **“Only home inspections performed by Maryland licensed home inspectors will be recognized as a valid home inspection under a real estate contract”.**
